Physics specialisation, Warsaw4PhD

	Monday		Tuesday	Wednesday	Thursday	Friday	
8:30 - 9:00							
9:00 - 9:30							
9:30 - 10:00			Introduction to contemporary physics II		English intermediate B2 level		
10:00 - 10:30							
10:30 - 11:00	Soft matter foods under pressure (18 Jan - 31 May 2021)	Photophysics + spectroscopy seminar		ON 4.1 seminar	Magnetism and superconductivity seminar		
11:00 - 11:30			X-ray seminar				Optics seminar [UW]
11:30 - 12:00			English intermediate B2 level	Seminar on fundamental physics			
12:00 - 12:30	Journal club				English advanced C1 level		
12:30 - 13:00			Theoretical physics ON5 seminar			Quantum information seminar [UW]	Topological materials seminar
13:00 - 13:30			Polish A1/A2 level further continuation				
13:30 - 14:00				CFT colloquium			
14:00 - 14:30						Selected topics of theoretical physics II : Statistical Physics	
14:30 - 15:00				ON1 seminar			
15:00 - 15:30	Magnetism and super conductivity	MagTop meetings (fortnightly)	ON4 seminar	IWC student seminar	Outreach laboratory		
15:30 - 16:00				Condensed matter seminar			
16:00 - 16:30				IFPAN colloquium Auditorium end of month		Optical nanoparticles seminar	
16:30 - 17:00				Biophysics and bioinformatics seminar	Molecules & photons		
17:00 - 17:30						CFT quantum information & computers seminar	
17:30 - 18:00			Polish A1 level new students			Polish A1+ level continuing students	
> 18:00						Learning Python	

Green: regular department seminars etc at IFPAN, CFT, IWC

Turquoise: occasional department seminars etc at IFPAN, CFT, IWC

Orange: regular department seminars etc at other sites (UW, etc...)

Pink: provisional times (e.g. same as last semester, but as yet unconfirmed)

Time as yet unallocated:

Solid state physics I: materials online, consultations arranged individually with lecturer

Time not yet confirmed

Language courses

Please note: the language classes are open for students and employees of institutions that have signed an appropriate financing agreement with IFPAN (currently IF, CFT, IWC institutes)

Blue: intensive course, not whole semester

Gray: not active remotely as far as we know
